

Hello,

Please reconsider your position on not renewing the lease of the Law Courts Inn. As a junior, even I can say that attending the Law Courts Inn has become a staple when I am visiting the Vancouver Court House – especially during trial. I can only imagine the impact that this would have as it relates to the comradery in our profession.

It is a monument for us as lawyers. Please do not make this mistake.

Thank you for your time.

RAMINDER K. HAYRE
Barrister&Solicitor
